

“What Should a Church Do?”

Matthew 28:16-20

Make Disciples (vs. 19)... We participate in a world-wide, global mission to bring everyone, everywhere to Christian faith.

Mature Disciples (vs. 20)... We desire to see every Christian believer's life radically changed by Jesus. This happens as we teach one another His commands in the Scripture.

Jesus' Authority and Promise (vss. 18 & 20)... Jesus declares that He has been given ALL authority or power. As those who belong to, work for, and are empowered by the all-powerful Jesus, we realize that we can do the work He calls us to do. And, thankfully, we have a promise from Him that He will be with us “always, to the end of the age.”

***Questions for Discussion:**

- 1.** How do you spend the majority of your leisurely time? What does this reveal about you?
- 2.** In what way are you participating in the mission of the church?
- 3.** How are you seeking to understand and identify with the non-Christians in your world?
- 4.** How can our church become more devoted to doing the things that Jesus taught us to do?
